This is to certify that the Nevada Department of Agriculture has conducted inspections of this company at the manufacturing plant located at 3900 E. Craig Road, North Las Vegas, Nevada to ensure it is operating in compliance with the requirements of the Department and have a free sale in all areas of our jurisdiction. The supplier has certified to the Department that the product listed above is approved as a food for human consumption. The supplier has further certified to the Department that this product is manufactured with the same formula used when said product is offered for sale and sold in the country of origin, that said product is readily available for sale in the United States without restriction.

This certificate should not be interpreted as a guarantee, expressed, or implied by the Department, neither should it be used for propaganda, advertising, or other similar purposes. The laws and regulations administered by the Department do not provide for the kind of continuous supervision over regulated products that would be required for it to provide unqualified assurances concerning the compliance status or individual product lots.

Dated at Reno, Nevada this 5th day of October, 2000

Robert Gronowski, Administrator
Division of Plant Industry
